

About Living Well Church

We believe God is the source of life and all truth, and that we were lovingly created to live in relationship with him through Jesus. We believe the Bible is the Word of God and offers help and healing to people in every area of life including the spiritual, physical, emotional, mental, and relational. We believe that all truth is God's truth, and value relationships with all people including Agnostics, Atheists, adherents of non-Christian faiths, and followers of Jesus. We believe the church is people, not property. Currently we meet in a mini-mall in downtown Dixon, Illinois and have an active online community. We started September 11th 2005 in a hotel conference room, then moved to a movie theater for about 3-1/2 years. We have been in our current location for the last 4 years. We do not claim the space we meet in as "ours" or "sacred", but rather see it as a neutral place we share with our community. We encourage you toward the life changing power of knowing Jesus and toward discovery of the joy in being a catalyst of His help and healing in the lives of others.

What we do: Lead in the discovery and application of God's truth or every area of life.
