

About Living Well Church

We believe God is the source of life and all truth, and that we were lovingly created to live in relationship with him through Jesus. We believe the Bible is the Word of God and offers help and healing to people in every area of life including the spiritual, physical, emotional, mental, and relational. We believe that all truth is God's truth, and value relationships with all people including Agnostics, Atheists, adherents of non-Christian faiths, and followers of Jesus. We believe the church is people, not property. Currently we meet in a mini-mall in downtown Dixon, Illinois and have an active online community. We started September 11th 2005 in a hotel conference room, then moved to a movie theater for about 3-1/2 years. We have been in our current location for the last 5 years. We do not claim the space we meet in as "ours" or "sacred", but rather see it as a neutral place we share with our community. We encourage you toward the life changing power of knowing Jesus and toward discovery of the joy in being a catalyst of His help and healing in the lives of others.

What we do: Lead in the discovery and application of God's truth or every area of life.

Essential prayer

4

Prayer is as natural an expression of faith as breathing is of life; and to say a man lives a life of faith and yet lives a prayerless life is every whit as inconsistent and incredible as to say that a man lives without breathing. He that lives a prayerless life lives without God in the world.

How can you expect to dwell with God forever if you so neglect and forsake him here?

—Jonathan Edwards

“It is not hard for the Lord to turn night into day. He that sends the clouds can as easily clear the skies. Let us be of good cheer. It is better farther on. Let us sing Hallelujah by anticipation. “

—Charles H. Spurgeon

Next Saturday, August 1st, Living Well Church will be hosting the Lincoln Highway Zone Mission Rally here at Living Well Dixon at 6p. Rod Reed, pictured above with his family, will be our missionary.

“These gatherings are so important for us to support our missionaries who are far from home communicating the Gospel in ways we cannot, to people we cannot. Our missionaries are also looking for ways to support us. They want to help our folks respond to God’s call on their lives. Your attendance means so much to the Reeds and to your congregation.” - Nathan Rodehaver

Communing with God

5

After Apollo 11 landed on the moon on July 20, 1969, pilot Buzz Aldrin requested via radio that people pause to give thanks for the achievement in their own way. When his broadcast ended, Aldrin read a verse from the Gospel of John and took communion, which his church had sent to space with him.

“It was interesting for me to think: the very first liquid ever poured on the moon, and the very first food eaten there, were the communion elements,” the astronaut said. “At the time, I could think of no better way to acknowledge the enormity of the Apollo 11 experience than by giving thanks to God.”
