

We believe God is the source of life and all truth, and that we were lovingly created to live in relationship with him through Jesus. We believe the Bible is the Word of God and offers help and healing to people in every area of life including the spiritual, physical, emotional, mental, and relational. We believe that all truth is God's truth, and value relationships with all people including Agnostics, Atheists, adherents of non-Christian faiths, and followers of Jesus. We believe the church is people, not property. Currently we meet in a mini-mall in downtown Dixon, Illinois and have an active online community. We started September 11th 2005 in a hotel conference room, then moved to a movie theater for about 3-1/2 years. We have been in our current location for the last 6 years. We do not claim the space we meet in as "ours" or "sacred", but rather see it as a neutral place we share with our community. We encourage you toward the life changing power of knowing Jesus and toward discovery of the joy in being a catalyst of His help and healing in the lives of others.

What we do: Lead in the discovery and application of God's truth in every area of life.

New Sermon Series

Easter Sunday, March 27th, we start a new sermon series titled: Now What!?! Crisis and Next Steps of The Faithful

No matter where we are in our Christian journey there will be times of Crisis, it may be a crisis of decision, it may be a crisis of situation, it may be a crisis in relationship, it may even be a crisis directly connected to our walk with Jesus. Next Sunday Pastor John will be leading us in a new sermon series called Now What!?! The Crisis and Next Steps of the Faithful sermon series will help us see from the Bible that we are not alone and that Crisis' in our life are not the end but rather a point of decision as to what we will do next and where and in whom we will place our faith. Now What!?! is a look at the times that: Jesus, Noah, Moses, Joshua, Mary and others faced Crises in their lives and what they did next.

We will be having a brunch during our small group time at 9:30 and then our Easter Morning Worship service at 10:30.

It will be a wonderful Sunday for newcomers as we have some wonderful things planned for the service.

Being Easter Sunday you may find that your neighbor, friend or family are more inclined than any other time of the year to attend church - let's not let this opportunity to make several invitations to attend church with you pass you by

Easter Possibilities

The message of Easter is not only that Christ is risen, not only that suffering is not the last word, not only that God gives new life, but this: Nothing is impossible with God.

—The Rev. James Martin, S.J.

Audience of One

Today we are blessed to have Audience of One here with us as we Celebrate Palm Sunday and the Resurrection of Jesus. At the conclusion of the service this morning we will be spending some time in prayer. This is a special prayer for healing, so I want to invite you to come forward this morning for a time of prayer for healing.
